

The background image shows a large event space with a stage. Three large screens display the 'encore' logo and the tagline 'EVENTS THAT TRANSFORM'. The stage is lit with blue and purple lights. In the foreground, there are round tables and chairs. A colorful geometric pattern of overlapping squares and diamonds in shades of green, orange, blue, and pink is overlaid on the top right corner of the image.

Event Technology Internship Program

Internship Program Overview

Event Technology Internship

Internship Timeline

- **Fall & Spring Semesters:** Available both semesters.
- **On-Campus Recruitment:** Interviews occur the semester before the internship starts.

End of Internship:

- Collect intern feedback to improve program experience.
- Hiring managers may extend internships for an additional semester (if student remains in school).
- Graduating interns may be considered for Technician roles

Internship Details

• **Weekly Hours:** 20-40 hours per week while attending school (dependent on availability & business needs)

• **Compensation:** Paid entry-level hourly wage

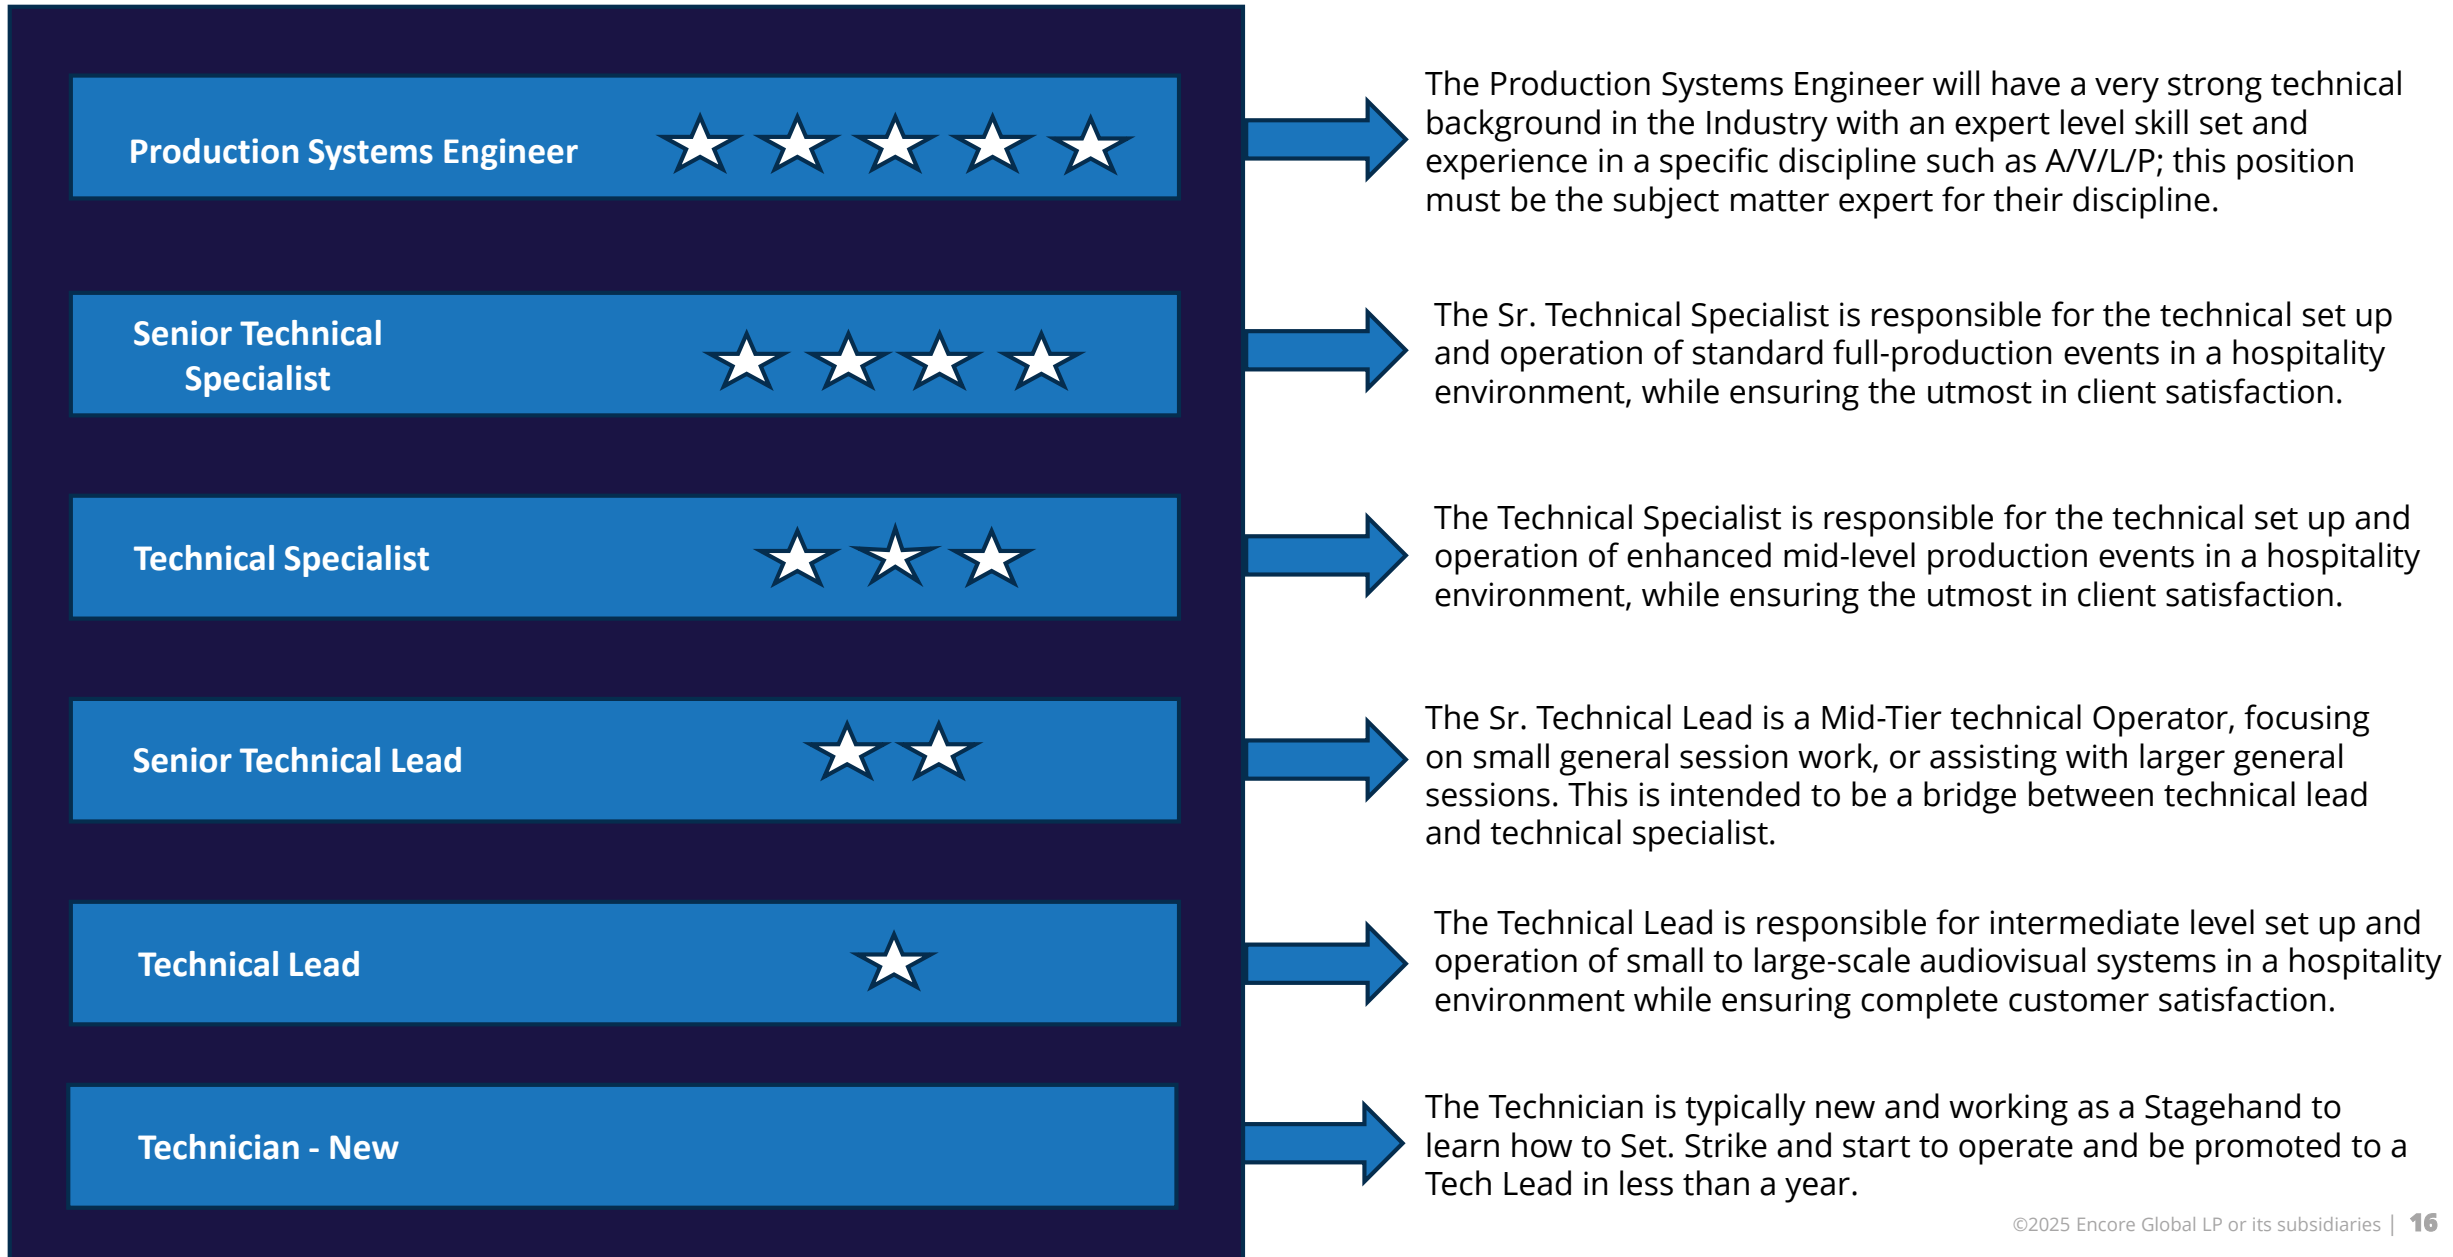

• **Structure:** Learning objectives & Encore University trainings, guided by team members, leadership & mentors

Internship Roles

Event Technology Internship:

- Assist in setup & operation of audiovisual systems for live events
- Provide technical support in the field or corporate setting
- Responsibilities: Equipment operation, customer service, technical skills, systems knowledge

Technical Career Path

WOMEN IN AUDIO VISUAL EVENTS

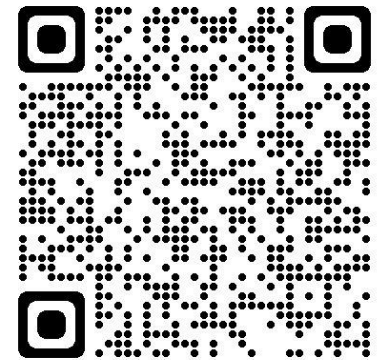

Empower. Educate. Inspire. Hire.

Women in Audio Visual Events focuses on bridging the gender gap in event technology and elevating women in tech by presenting career opportunities, mentorship, networking events, and industry resources. WAVE is dedicated to enriching education, inspiring progression and hiring trailblazing women.
